

MESSAGE TO HUMANITY

WWIII is imminent. Most of you do not deserve anything better! I have warned hundreds of thousands of people, even millions that this will happen: media, politicians, hundreds of embassies, and officials from the Christian churches, NGOs and personalities around the globe. Since 1988 I have had more than 12,000 dreams about the hidden preparations and motives of WWIII, the destruction of the planet, the incredible exploitations of its resources for humanity, and the secret elite behind everything. But nobody wanted to listen to me! Not one person!

On top of this I have had countless dreams about the increasing complexities and future dramas related to climate change with its manifold global consequences, about the dramatic increase of contamination of the air, soil, sea, and water, about the dire poverty and misery spread around the world, and about the dirty games in finance and the economy.

The total collapse of humanity and the end of the earth is programmed. I have also extensively warned about this numerous times since 1987. Nobody wanted to listen to me! Not one person!

PSYCHOPATHS EVERYWHERE

There are too many people on this earth poisoning humanity with their megalomania, perversion, super narcissism, lunacy, madness, extreme greed, stubbornness, big mouths, arrogance, ignorance, bigotry, callous rigidity, unreasonableness, religious psychosis, lies, cheat, falseness and scrupulousness. Humanity is thoroughly brainwashed and manipulated. Lies have become the truth. Fame, power and fortune have corrupt most innocent souls. Perversion has become main stream. Lunacy attracts admiration. Hope is abused. Courage is raped. Individuality is slaughtered. Money is the lure spirit. Religious psychosis has replaced the genuine spiritual inner path.

HOPE DIRECTLY FROM GOD

In 1947, after WWII, all the spiritual Kings in the spiritual world of all souls came together and discussed the future developments on this earth. It was already foreseeable that the next big war will come and that the planet is in danger and this in a matter of decades. Therefore, they decided: "One of us has to go to earth!" But not one wanted to fulfill this mission. They all considered it as an impossible mission and wanted to give up the psychical-spiritual development of all souls on this earth. God came in to this royal meeting and spoke: "One of you has to go to earth again!" All spiritual kings totally rejected. Finally, God pointed his finger at me and said: "You must go! I give you all my power of attorney as the highest judge of all souls." I strongly rejected, but I had no choice and now I am here.

I have prepared myself during 30 years. I have fulfilled all highest archetypal processes of the soul, documented with many very special dreams related to: God and his manifoldness; God's alliance with me; becoming a specific destination of service in God (priest, religious leader, supreme teacher); the transcendental world of the souls; authorization from the inner Spirit to develop the genuine religious (spiritual) teaching and practices; getting the mission from God as a prophet and messiah. There is absolutely nothing that I don't know out of my own experiences about the archetypal, psychological, and practical process of Individuation until the highest archetypal aims.

THE REALITY OF HUMANITY'S PERVERSION SINCE 2000 YEARS

You have the archaic dogmatic and fundamentalist religious teaching, full of lies, cheat, manipulations, fairy tales, fantasies, superstitions, psychosis, and madness! Hence you have not learnt anything since 2,000 years! Probably not even one thousand nukes would get you to rethink yourself and your morbid religion! But the archaic age must be transformed today into an evolutionary age, with soul, mind, intelligence, love, inner genuine needs, the archetypes of the soul, and the inner Spirit.

THE REALITY OF THE ELITE WHICH HAS EXPLOITED THIS PERVERSION

There are hundreds of thousands of CEOs, owners of corporate groups (especially banks and weapon manufacturers), politicians and religious leaders that have acted since decades with their mad megalomania, rigid paternalism, total amorality and a religious lunacy. During 22 years I have periodically informed hundreds of media outlets worldwide about me and my solution for the dire global developments. Not one

has answered me or published my messages. The reason is clear and becomes apparent when one knows who owns the media and who has politicians and global corporations in their iron grip.

THE VERDICT FROM GOD AND HIS SPIRIT

Those souls that have rejected my solutions and contributed to the miserable global state of humanity today deserve to be 6,000 years away from the light of God. Further punishment is on the table for Israel, the Zionists, and the Jewish elite which has strived for world power and the extinction of Islam by blackmailing the USA and Europe behind the scenes since decades (with their fingers in every major bank, media outlet, and ministerial offices).

YOUR CHOICE: THE DARK SIDE OR THE SIDE OF HOPE

All humans must consider: As long as you reject me with my archetypal status, you are also on the dark side of humanity and in the end you too contribute to the annihilation of humanity and the planet by allowing the evil developments and its mad masters to become stronger and stronger! Collective stupidity and ignorance are as destructive as nuclear bombs!

THE LAST 20 YEARS IN CONTEXT

The Swiss government and the Swiss people are decisively responsible for the First and Second Gulf War, Iraq War, Balkan War, Afghanistan War, global terrorism, the suffering of the Palestinians, the incredible global poverty and misery worldwide, the financial collapse, the exorbitant increase of climate change, and especially the World War III preparations which have been in motion for many years already. The Swiss people and government destroyed my life, business, and mission, and forced me to live 22 years in exile. Every Swiss media blocked my mission. With that I had no chance to speak to humanity in the interest of justice and peace with the Spirit of God! Had the Swiss people and the Swiss media supported me, these dire developments would not have happened. They all committed a terrible crime against humanity! Never can a folk destroy the mission of a Messiah, sent from God, without losing their homes and country forever! Therefore, God's punishment will also apply to Switzerland and its people. The punishment is in process now and without any commitment from the Swiss government, the punishment will be fulfilled.

A MESSAGE TO MY BROTHER

My dreams have shown me that my brother from earlier times is also on earth. As the royal architect of a new world free from extreme capitalism and global poverty, I must tell my brother this: You only have one life. There where I have the power, you will have no say! Be careful with me, protect me, support me, listen to me, and create a new human world with me for a good evolution into the third Millennium: with hope, love, the inner Spirit, and the Archetypes of the Soul for the psychical-spiritual development (Individuation) of all humans, and for a fair life of all people on earth.

THE ULTIMATUM TO HUMANITY

If any folk treats me the same way as the Swiss people did, I will take drastic measures at any time – with collective or selective focus! If Christianity doesn't want me, it will be the end of Christianity. If you harm my son, my future wife or me, you will be punished beyond belief. If you kill my son or my future wife, you will lose a quarter of the earth. If you kill me, humanity will lose the whole earth.

Blinded by lunacy, ready to risk the elimination of humanity and the destruction of the planet, the leaders of the capitalistic coalition, including Israel have not listened to anyone. Their arrogance ignored the UN Secretary General Ban Ki-moon, the president of Russia and the leaders of China as well as many other well-intentioned world leaders and power figures, including those from various Islamic states. To those of you I have only one thing to say: I told God about you and I asked him for an extension of punishments, up to 50,000 years your soul shall be far away from the light of God. And God approved my request! Do you want to listen to me now?

THE UNIQUE ENTRY TO PARADISE

You only have two options today: Learn and change or you deserve to be punished as part of those responsible for today's global misery and problems. If you are too arrogant to face the truth, you deserve to be imprisoned for correctional education. If you are one of these perverse, false, hypocritical and powerful criminals in politics, religion or the secret service, and think you can continue acting with your madness, you

have no idea how fast you can slip. Don't even try to think for one second that I am the "mad" idiot; because you have not got anything to say about my mission, only to learn with respect and humility. You may be a politician, a ruler, a president or prime minister, a CEO or a manager, an official of a Church or a sect, or a speaker of one of these morbid psychotic evangelist or archaic catholic communities, or a Zionist, or you are driven by greed to implement your new world order, or a millionaire, a billionaire, a king, or the most powerful man (or woman) on earth. You may be a stupid teenager, a young adult with a big mouth or an "expert" in politics, science, psychology or religion. You may be the Pope, a Cardinal or another supreme leader of any Church or religion on this earth. Whatever and whoever you are, you have got only one option: learn to take my words seriously, or your soul will be punished worse than you can ever imagine. Not one soul can see God and be in the paradise without my permission!

THE JUDGE OF ALL SOULS ON EARTH

I am the designated highest Judge of all souls on this earth today. I have got all the power of attorney from God to send all seven billion people into a dark hole where you can all learn that the incarnation of the souls on this earth is a wonderful project that nobody can destroy without the most severe consequences. If you don't listen to what I have to say, then you must know: you do not deserve to see God and to be in his paradise once you go back to the eternal world. I represent God on this earth today; and no other spiritual King, prophet or Messiah will come to this earth after me, not for the next 1,000 years.

In my Kingdom you have no say, whoever you are! You respect my 10 commandments together with the (holy) "Archetypes of the Soul" or you only deserve the most severe punishment. Do you really think it's funny that most of you are perverse, neurotic, mentally sick, stupid, mad, blinded, lazy-minded, brainwashed, and driven by a religious psychosis or by atheist arrogance?

I have not come to this earth from millions of light years away to play the cretin here! Too many arrogant, loudmouths, and mad leaders do not deserve that I am here now. Scoff, laugh, and satisfy your arrogant ego now like everybody has done since my first declaration over 22 years ago. To the blinded, brainwashed, manipulated, and infected Christian sheep and other lazy-minded narcissists: Do you want that the frightening increase of the total collapse of humanity and the planet continues? Then, your soul must wait for 50,000 years in a dark world before you can restart as pre-hominids on another planet. If necessary, I will not hesitate to apply for an extension of up to 200,000 years.

DECIDE ABOUT YOUR VOTE

Now is the time to decide about the future of yourself and your children, of humanity and the planet! You can carry water to the sea, extinguish one fire at a time, live like a sheep following rules given by sick and perverted religious leaders or you can support me to bring an end to all the miserable developments. Are you humble enough to admit that you have no idea about the "deepest human mystery"?

Do you want the truth about the innermost human being? You have 10,000 spiritual and religious meanders. The right choice is your problem! I have everything to bring humanity together for a better world! Do you give me your "vote"?

After 23 years of complete rejection I must expect that you will put this message into the rubbish bin. Therefore, I have today no other choice than to take severe measures: if you do not forward this "Message to Humanity" to the responsible superior, your soul will not see God and will not be in the paradise for at least 1,000 years. If the responsible heads of media reject to publish or distribute this message, your soul cannot see God and will not be in the paradise for at least 3,000 years. If you are the head of an institution or a ministry and do not show active interest in my mission in order to find and implement the efficient evolutionary solutions for humanity and the planet, your soul cannot see God and will not be in the paradise for at least 6,000 years.

Decide now! Spread and discuss my message around the world before it is too late! The alternative is clear: Go to war and die with dignity; or die the slow death of contamination and poverty which is spreading at the speed of light around the globe!

The decision is yours and only yours.
